## Tax Calculations- Gross and Net Earnings

Use some of the Tax Calculators to help you work out what your net income will be if you choose to live in Ireland. Please note these will all be approximate but should give you a good estimate of your disposable income in Ireland.

## Personal Public Service Number

Your PPS Number is your Personal Public Service Number. It is a unique identifier for use in any transactions you may have with public bodies or persons authorised by those bodies to act on their behalf. Use of the number eliminates the possibility of confusing one person with another and makes it possible for public bodies to operate more efficiently and effectively with their customers.
